

New York City Subway

Hurricane Sandy Recovery Service

As of November 1

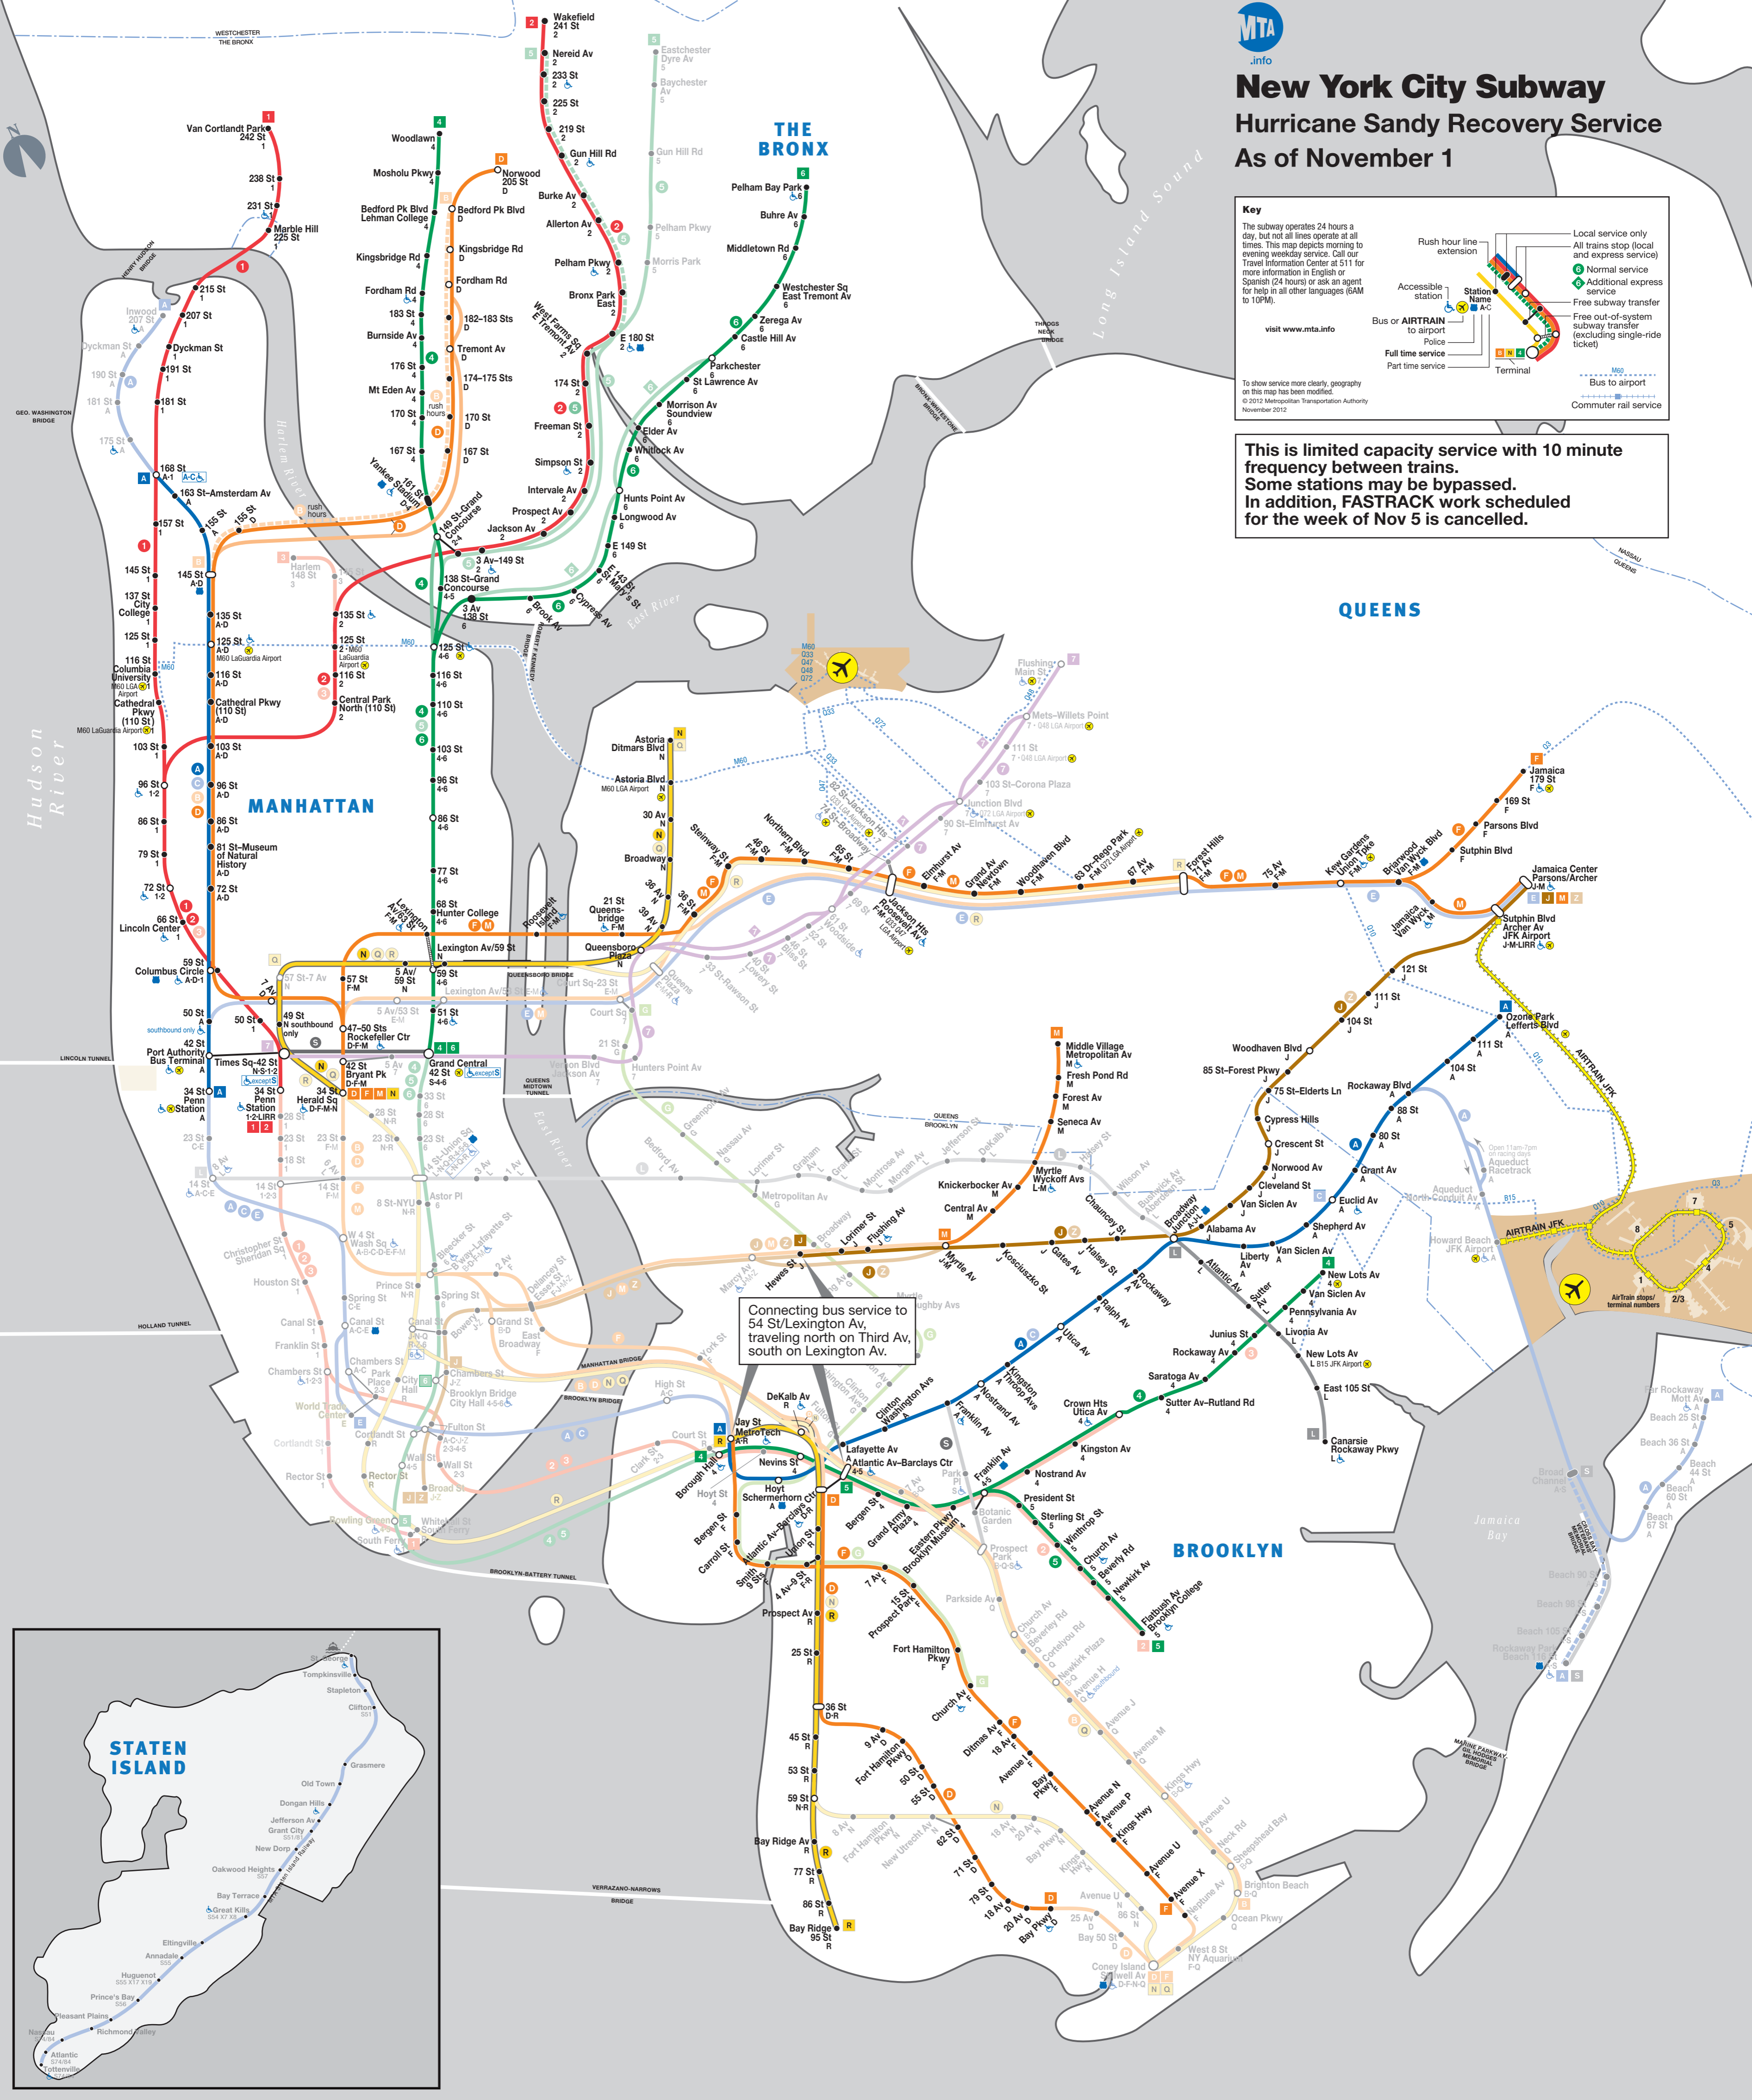

Key

The subway operates 24 hours a day, but not all lines operate at all times. This map depicts morning to evening weekday service. Call our Travel Information Center at 511 for more information in English or Spanish (24 hours) or ask an agent for help in all other languages (6AM to 10PM).

visit www.mta.info

To show service more clearly, geography on this map has been modified.
